INFORMATION

XIV. Győr Open

16-19.12.2020.

Dear Participants!

In view of the extraordinary epidemiological situation, please adhere strictly to the following rules regarding our swimming competition:

1. The COVID statement received by e-mail is to be filled out by all participants (competitor, coach)!
2. In case of any respiratory symptoms or fever, participation is strictly forbidden!
3. Entry is only possible after measuring body temperature, with a body temperature above 37.5 Celsius degrees participation is strictly prohibited
4. Hand disinfection is also mandatory when entering the swimming pool! To do this, a device will be available near the entrance.
5. Team leaders are asked to arrange their team to enter the pool together, no single entries by individual team members.
6. In addition to the competition pool, coaches are asked to stay in the designated area during the whole competition
7. Lockers will not be allocated, changing facilities are provided in the booths in strict compliance with the rules of distance.
8. The use of slippers or indoor shoes in the swimming pool is mandatory!
9. The use of masks is mandatory throughout the whole competition!
10. Keep your distance in mind!
11. Each club or association has a place in the stand designated for himself!
12. There will be no call room, the use of the mask is obligatory in crowded places (hall, changing room, setting zone)!
For the races, the competitors will line up on the longitudinal side of the pool next to lane 9.
13. At the time of entry, each team leader certifies that he / she has communicated the rules and adheres to them with the members of his / her team!
