Each country may register any number of competitors.

Article 3

Each swimmer is allowed to participate in 4 events plus the 2 relays.

Article 4

The program will be held over 4 days.

The exact program is mentioned further on.

Article 5 Qualifications

- For the 50m and 100m backstroke, breaststroke, freestyle and butterfly, depending on the number of participants, the 6 best times qualify for the finals.

- The 200m backstroke, breaststroke, butterfly, freestyle, individual medley, the 400m freestyle, 400m individual medley and relays will be straight finals based on times.
- Any withdrawal in an event of the individual championship must be announced to latest the 30 minutes after the end of the ½ day of competition preceding that during which the event must proceed. The swimmer who would not present himself at the beginning of an event without having respected this instruction, will be disqualified for all the other tests of this same ½ day.

NATIONS CHAMPIONSHIP

Article 6

During the same competition a nations championship will be organized based on points for the best results in each event.

TEAM CHAMPIONSHIPS MALE AND FEMALE

Article 7

They will take place on a special event, in the morning the last day of competitions.

Article 8

Each country can register teams as many as it wishes it. The composition of the teams is given to the OTI at the latest 11 a.m., the morning of the 3th day of the games.

The composition of a team can be changed at the latest 1 hour before the beginning of the competition. However the change can relate to only the name of the swimmer, not the event.

Article 9

A team is composed of 4 male swimmers or 4 female swimmers.

Article 10

The following events will be held for both girls and boys:

100m backstroke – 100m breaststroke – 100m freestyle – 100m butterfly – relay 4 x 50m freestyle.

Article 11

Each team must register two swimmers per event.

Article 12

Each swimmer must take part in 2 events plus the relay.

Article 13

Points will be awarded as follows:

- The first in each event will be awarded a number of points equivalent to double the number of participating teams.
- The second, a point less and so on. Withdrawal (no-show), retirement or disqualification will receive 0 point.

The overall placings of each event is established after the swimmers have competed in the different series of that event (see example in annex classification).

Article 14

For the relays, the first team will be awarded a number of points equivalent to double the number of participating teams. The second team will be awarded 2 points less etc. Withdrawal (No-show), retirement or disqualification will receive 0 point.

Article 15

Ranking example "100m freestyle and 4 x 50 relay freestyle". To be used as a reference for the ranking during the team championships

In the event of 5 participating teams

Article 16

The team with the greatest number of points will be declared the winner. In case two teams end up with the same number of points the team which has the biggest number of first places will take first place. If the teams remain equal then the biggest number of second places will be taken into account, then the biggest number of 3rd places etc. the relay will be considered like the other events.

GENERAL REGULATIONS

Article 17

On the day the delegations arrive, the identity control of the participants will be made by the national delegate who will leave the identity control sheet at the "bureau de contrôle" (checking).

The composition of the heats and allocation of lanes will be decided in accordance with the international swimming federation regulations.

When there are no heats, finals will be organised as fixed in the programme

Article 18

Except the rules described above, FINA regulations are applied. Only Members of a FINA associated Swimming Federation can participate in the swimming events.

Article 19

Cases which are not covered by these regulations will be settled once and for all by the International Technical Commission.
